What about the sound, too?</p> <p>Need to animate –</p>

CLASS PRESENTATIONS

					Atkinson and Mayer. Animation of pictures doesn't connect to words – doesn't help communicate your ideas.

Other comments

--	--	--	--	--	--

Grade: 72%	This should be a B2B presentation. However, it is not clear how this is selling to a B2B audience. You need to add more structure by using links. Think of animation, too, to break your ideas down, point by point.
